17 years of helping low-income Barren County residents with their health care needs!

127 Barren County senior citizens were helped with needed prescription medications in 2017 and **9 of those seniors** received much needed hearing aids.

A pilot 6 month Denture program will begin in 2018 that will assist seniors with their dentures. We hope to help 12 seniors through this program. Donations are being used to fund the pilot program through Salvation Army and Drs. Mody Foundation match.

We are counting on your donation to make a difference for our seniors again in 2018. We appreciate your support.

Dr. Bharat Mody, Freddie Travis and many other community leaders saw the needs of the low-income seniors and families in Barren County and started Community Medical Care in 2001. It is a local charity supported and run by the community. ***100% of your contribution stays in Barren County!***

CMC Communicator is going green! We will only print one newsletter each year and email the remaining two. You can view past newsletter & subscribe to receive by email. Visit today at www.communitymedicalcare.org.

Enter your name and email and submit, you must write your email in message also when sending.

Jarrett's Joy Cart & CMC

Community Medical Care and Barren County Middle School once again joined Jarrett's Joy Cart and handed out toys and seniors socks on December 12th at T. J. Samson, Glenview Health Care, and Diversicare. Jarrett's Joy Cart was started in 1999 by a very sick 9 year old boy in Lexington by the name of Jarrett Mynear. Jarrett was in the hospital and realized very sick people needed some "joy". The program offers moments of Joy to children in various types of crisis situations.

Big thanks to Christian Family Radio and Bridget Groce for coordinating "Socks for Seniors" again this year! .

Over 500 pairs of socks were donated by the community and N. Jackson Elementary students. Farmers RECC & Ely's Drugs & Medical Supply were both donation sites.

Dr. Mody's Corner"

Thanks everyone for supporting our charities and making a difference for so many children, senior citizens and others in need.

Our motto is simple "Community at its best, taking care of its own". No donation is too small. Please continue to make a difference whatever way you can.

"Shanti Niketan" Hospice home – a beautiful project is on the way. Once it is finalized, we will need help from everyone.

Have a healthy Happy Year.

*Take Care,
 Dr. Mody*
