Community Medical Care, established in 2002, is a 501c(3) organization located in Glasgow, Ky. Our mission is to provide access to basic health care for low-income working adults and senior citizens unable to afford health services. CMC operates by way of grants, donations, and local fundraisers.

139 low-income, Barren County senior citizens and uninsured, working adults were helped with their medical needs in 2018 & 1,543 services were provided. **6 of those seniors received much needed hearing aids and 8 received dentures.**

Thanks to all who gave and supported to make this assistance possible. **We are counting on your donation to make a difference for our seniors and uninsured, working adults again in 2019. Our seniors and working adults appreciate your support.**

Since inception, we are well known within our community due to the strong leadership of our board of directors. Some of our board members & volunteers are pictured here at the 2018 golf tournament.

Dr. Bharat Mody, Freddie Travis and many other community leaders saw the needs of the low-income seniors and families in Barren County and started Community Medical Care. It is a local charity supported and run by the community.

We have innovative partnerships with the healthcare community including local pharmacies, hospital, home health, dentist, hearing aid specialist & other non-profits. **100% of your contribution stays in Barren County!**

DR. MODY'S CORNER

Dear friends,

Hope this year is good for you so far and continues to be good. Many of you know, I have to get on side line for a while. Doctors have found non-cancerous, less known tumor in maxillary sinus. I will have surgery on March 11 and then see how good I do post-op. Don't worry. I will be good.

Please continue to help those who are left behind and still struggling.

Take care.

Be good and kind to others.

Dr. Mody

Jarrett's Joy Cart & CMC

Community Medical Care and Barren County Middle School joined Jarrett's Joy Cart for 16th year of handing out toys and seniors socks on December 11th at T. J. Samson & Glenview Health Care.

Jarrett's Joy Cart was started in 1999 by a very sick 9 year old boy in Lexington by the name of Jarrett Mynear. Jarrett was in the hospital and realized very sick people needed some "joy". The program offers moments of Joy to children in various types of crisis situations.
