Dear Supporter,

We have gathered as a community and friends celebrating you giving over the past 18 years. Due to our current circumstance with covid19, the board felt it best to post-pone this year's recognition ceremony until 2021.

We have included a program that highlights our award recipients for 2020. Thank you for your support and commitment over the years. We can't wait to celebrate your generosity in person in September 2021!

On behalf of Community Medical Care, thank you for your continued support. With your help we will continue to make sure our low-income senior citizen's medical needs are being met, even in these uncertain times.

130 seniors were helped with needed prescriptions in 2019, 8 seniors received hearing aids & 6 received much needed dentures!

One way to be together, without being together, is to take part in our 5K fundraiser virtually this year. The 10th annual Extreme Fitness Virtual "Run for Health" 5K Walk/Run is on Saturday, September 19th anywhere you choose!

Register now at www.extremeky.com and walk/Run at your convenience. Registration is \$20.00 & you can have your t-shirt shipped or picked-up. To be guaranteed a shirt you must register by September 9th.

If you have any questions, please call me at 270-659-0229.

Thanks so much,

Tina Combs - CMC Coordinator

Dr. Mody - Executive Member & Advisor
