2021 we provided 1,470 services including: prescription medication, hearing aid & denture assistance & access to health care through T. J. Samson Family Medicine Center.  
135 low-income seniors and working, uninsured adults received assistance.

**Thanks to everyone that helped us celebrate our 20 years of providing access to health care assistance. Your friendship and support throughout the years has made the difference for so many low-income people who struggle to meet their medical needs by themselves.**

**Special thanks to our exiting CMC board members. You have lead our programs as good stewards and provided guidance throughout the years. Thank you again for your service to CMC and our community.**

## DR. MODY'S CORNER

Hello,

Hope everybody is staying safe and trying their best to keep everyone around safe. CMC is celebrating 20th years of making a difference for low income seniors and working adults. This was made possible by our sincere supporters over these many years. Thank you all so much.

For a better and brighter future, we at CMC decided to merge Community Medical Care with TJ Community Mission Foundation as of January 1, 2022. Two wonderful charities together will be able to do more for our low income seniors, our terminally ill patients and families and other low income working adults.

Your continued help and support is vital for both charities.

Take care, have a Healthy and Happy New Year. Together we will get over the hump due to covid19.

Stay safe.

Dr. Mody

We are excited about the future of CMC as a program of The TJ Community Mission Foundation.

This will be the last edition of the CMC Communicator newsletter, but we will continue to share news and updates of the exciting work of CMC through the TJCMF Newsletter,

“The Mission Connection”

An online version of the “The Mission Connection” will be available via email however, if you'd like to be added to our paper version mailing list, please let us know by emailing [Tina.Combs@tjsamson.org](mailto:Tina.Combs@tjsamson.org) or visiting [www.tjregionalhealth.org](http://www.tjregionalhealth.org) foundation page.

Thank you for your continuing support.

# COMMUNITY MEDICAL CARE

*A Program of the T.J. Community Mission Foundation*

The T.J. Community Mission Foundation (TJCMF) and Community Medical Care (CMC) have joined forces through the inclusion of CMC as a program of the TJCMF. On Thursday, November 18, leadership of both organizations and the community gathered to honor the move through a joint resolution signing ceremony.

CMC is now “Community Medical Care: A Program of the T.J. Community Mission Foundation”. Its mission of assisting low-income seniors and working, uninsured and underinsured adults with their every-changing medical needs will continue.

Dr. Mody recognized the opportunity to combine the work of CMC and TJCMF in efforts to ensure the sustainability and expansion of the important program moving forward. This step is a natural progression of the work that has been done by CMC from the onset of the program.

Dr. Bharat Mody shared that, “for the last couple of years, Community Medical Care has been thinking about its future and the possibility of joining together with another charitable program. I feel that it is a good thing for both charities to serve our community together and to continue to make a difference for our seniors, our patients and our families for years to come.”

Neil Thornbury, CEO of T.J. Regional Health shared, “What an exciting opportunity this is for these two wonderful organizations to come together. T.J. Samson Community Hospital is proud to have been a part of the storied history of CMC and the service it has provided so many in this community for the past twenty years. We are thrilled this will provide a path forward for that work to continue for many more years to come.”

Tina Combs, Director of Community Medical Care, will become an employee of TJRH/TJCMF and continue to coordinate the good work of CMC while becoming a vital piece in the continued growth of TJCMF. For the time being, the offices of CMC will remain in its current location at 204 N. Race Street as plans are finalized to eventually house the TJCMF and CMC staff in the same work location on the campus of TJSCH.

Jannell Pedigo, current Chairperson of the CMC Board of Directors, has accepted the invitation to become the newest member of the TJCMF Board of Directors. Her presence on the TJCMF Board, along with board members Larry Glass and William Twyman, also long time members of the CMC Board, will be invaluable through the transition. Dr. Mody has also agreed to serve as an advisor both during the transition and as needed in the future.

Doug Landers, Chairperson of the TJCMF Board of Directors shared, “The T.J. Community Mission Foundation wants to thank everyone associated with Community Medical Care and let them know we are honored to start this new relationship. The T.J. Community Mission Foundation will strive to continue the great works done in the past and believe we can contribute many new services that are needed in the region. We wish to thank everyone that has supported Community Medical Care in the past and in the future.”

Community Medical Care is a non-profit community program assisting to provide prescription medications to low income seniors, basic health care and prescription medications to working, low-income residents of Barren County.

Thank you to Christian Family Radio and all our donation sites and to everyone who donated socks for seniors.

**370 pairs were collected!**

Pictured are two volunteers handing off socks for seniors to Barren County Nursing and Rehabilitation's Activities Director, Amy Brown.

Volunteers are a big part of CMC's daily office functions. If you would like to volunteer go to [www.communitymedicalcare.org](http://www.communitymedicalcare.org) and print and fax the volunteer application to 270-659-0230.

We would love to hear from you.

Pictured during our 20th Anniversary Celebration is from left to right: David and Tina Combs, Sheila Hunt & Debbie Harris.

Jeff Wells, owner of Dave's Transportation, presents Tina Combs, CMC Coordinator, with 20 DTS tokens in honor of their 20th anniversary. These tokens will provide 20 free rides to CMC clients. Thank you Jeff!
