Hello Everyone,

First of all, thank you all so very much for supporting Community Medical Care.

Our annual Carol Bailey Memorial Golf Tournament in April is one of our main fund raising events. We are all facing uncertainty because of unprecedented outbreak of corona virus.

We feel it is prudent that we post-pone it to protect everyone and slow down the spread. Tentatively it is rescheduled for Wednesday, June 24th, depending on the situation as the date gets closer.

Community Medical Care, established in 2002, is a 501c(3) organization located in Glasgow, Ky. Our mission is to provide access to basic health care for low-income working adults and senior citizens unable to afford health services. CMC operates by way of grants, donations, and local fundraisers.

146 low-income, Barren County senior citizens and uninsured, working adults were helped with their medical needs in 2019.

9 seniors received much needed hearing aids and 4 received dentures.

All seniors in the CMC program had access to \$200.00 each month for their medication co-payments.

Thanks to all who gave and supported to make this assistance possible. **We are counting on your donation to make a difference for our seniors and uninsured, working adults again in 2020.**

CMC's innovative partnerships with the healthcare community helps make your donations dollars go further for the benefit of our working, low-income adults and low-income seniors.

100% of your contribution stays in Barren County!

Community Medical Care and Barren County Middle School joined Jarrett's Joy Cart for 17th year of handing out toys and seniors socks on December 17th at T. J. Samson & Glenview Health Care.

Jarrett's Joy Cart was started in 1999 by a very sick 9 year old boy in Lexington by the name of Jarrett Mynear. Jarrett was in the hospital and realized very sick people needed some "joy". The program offers moments of Joy to children in various types of crisis situations.
