DR. MODY –CHARITY UPDATES	2
MEMORIALS	3
2021 GOLF FLYER	4
DATES TO REMEMBER	5

In 2020 we provided prescription medication, hearing aids & denture assistance for over 125 low-income seniors and working, uninsured adults.

Socks for Seniors” was a big hit with our seniors again this year. Thanks for your donations.

Over 900 socks were collected!

Collection sites included, Ely’s, Medical Arts, Work Out Anytime & YMCA. CFR did a great job promoting. Thanks so much for your help.

DR. MODY'S CORNER

Hello,

Hope everyone is well and safe. What a year we had last year – so difficult for many. Let us hope & pray that this year is better.

Please do not hesitate to get the vaccine to keep you safe and wear a mask to keep others around us safe.

Many of our charities had a difficult year too, but because of your support we weathered the storm. Thank you so much.

Community Medical Care did better than other charities.

Our Carol Bailey Memorial golf tournament was held later than usual but safely organized by our golf committee and Fox Hollow. Our Extreme Fitness first **virtual 5K** walk & Run worked out much better than expected thanks to the 5K planning committee.

Thanks to all our sponsors and community support both events were a success. We had to cancel our August & September events; Meal with friends in my backyard & Appreciation Day but we are very hopeful to see you all in August & September 2021!

“To the Brim” food drive did not do well. Schools closing, Donnellys closed and no volunteers to encourage non-perishable food donations at Wal-Mart & Houchens; all this affected our food pantry. We received less than 25% of non-perishable food, but donations by Houchens Industry will help. Also the monetary donations will carry us through until the next food drive on Labor Day weekend, but you can still donate non-perishable food.

Children's Day did not have a celebration in November and that affected fundraising. Also, Children's Day had to take over Christmas Angel Tree program last year. We had to pull funds from reserve to help 4,000 children this year, with basic needs, school supplies and back pack food.

With community's strong support, Children's Day was able to provide Christmas gifts to over 900 children. Thanks for your support and generosity.

Shanti Niketan hospice home mission is accomplished because of generosity of many but the interest free loan still has to be paid back. So please, continue to support this beautiful place for our terminally ill patients & their families.

If we can be of help or you have any questions, please do not hesitate to let us know. We are your charities to help our community.

Again, please look after each other during this difficult time. Be safe and keep others safe.

Take Care

Dr. Mody
